ANNUAL SERVICE AGREEMENT

You decide what services are needed and we will accommodate you by budgeting the expense spread over eight or twelve months. Cost for lawn care and especially snow removal can vary widely during a year.

Annual agreement can include:

- Standard mowing service
- Fertilization and weed management
- Disease applications
- Edging
- Aeration
- Annual plantings
- Gutter servicing
- Spring cleanup
- Fall cleanup
- Irrigation service
- Mulching
- Snow removal

These items can be selected in any combination according to your budget. Contracts with snow removal service are twelve-month contracts.

Services above and beyond a proposed plan are also in writing out so you the owner or manager are aware of pricing out side the scope of a proposed annual agreement program.
